The State Diploma course is a five-hour course designed for newly involved coaches with players 5-10 years of age. Emphasis is placed on the basic methods of coaching youth and understanding the physiological and psychological differences of coaching children. The course is designed to emphasize that the game of soccer is essentially the teacher and the focus of the coach at this age level is clearly as the facilitator. The curriculum will focus on the organization of a practice session, using small-sided games to enhance knowledge and fun, basic understanding of the laws of the game and information concerning the care and prevention of injuries. **There is no testing.**

As of Jan 1, 2006, any non-member who takes a non-residential course will receive a complimentary one year NSCAA membership. This applies to **NEW** members only.
